Be Our Guest.

BE OUR GUEST with Harbour Ridge Yacht & Country Club.

On behalf of everyone at Harbour Ridge, we are pleased to present you with this unique opportunity to experience Harbour Ridge Yacht & Country Club's incredible location and exceptional amenities.

The "Be Our Guest" program has been designed to provide you with a taste of Harbour Ridge living and showcase our Club to potential new homeowners. This is the ideal way for you to experience our warm and friendly lifestyle and many amenities prior to making any buying decision. One of our expert sales agents will be pleased to provide you with a tour of our available real estate properties. Harbour Ridge is an 885-acre community with 695 residences offering an extraordinary

selection of resale homes and condominiums in 28 uniquely different villages. These homes overlook two picturesque golf courses, acres of wooded, naturally landscaped vistas including scenic Audubon sanctioned nature preserves and spectacular river views. Tucked away on two miles of waterfront along the North Fork of the St. Lucie River are 98 boat slips on our North, Center and South Docks that will accommodate boats ranging in size from 24 to 60 feet. This is a yachter's or angler's dream with deep water and ocean access! More than just a tropical paradise, Harbour Ridge may be the closest you can come to living in a nature preserve.

Welcome to Harbour Ridge Yacht & Country Club. A Harbour . . . a Haven . . . a Home awaits you.
